Drake Quantous, LLC d/b/a Atticus (“Atticus”), is committed to protecting and respecting your privacy and ensuring that your personal information is processed fairly and lawfully in line with all relevant privacy legislation. The purpose of this Privacy Statement is to set out the principles governing our use of personal information that we may obtain about you through this website (the “Site”). By using this Site, you agree to our use of the personal information that we obtain about you.

Please read this Privacy Statement carefully. We may change our Privacy Statement from time to time. We therefore ask you to check it occasionally to ensure that you are aware of the most recent version that will apply each time you access this Site. For your convenience, this Site may contain links to a number of other websites. The privacy policies and procedures described here do not apply to those sites; we suggest contacting those sites directly for information on their data collection and distribution policies. Any reference to a linked site or any specific third-party product or service by name does not constitute or imply its endorsement by us, and you assume all risk with respect to its use.

*The Data We Collect and Process.* Atticus does not collect your personal information when you visit our Site or correspond with us by phone, e-mail, or otherwise. Atticus collects the following information from other sources: (1) name, (2) address, (3) contact information (including email address, phone number and social media identifiers), (4) occupation and employer, (5) information regarding wealth and income and (6) other analytical data.

*Data Protection.* We have implemented measures and procedures that adequately protect the privacy of individuals and ensure that data protection is integral to our operations. This includes implementing measures which may include:

- Data minimization (e.g. not keeping data for longer than is necessary);
- Pseudonymization;
- Anonymization;
- Cyber security; and
- A data security policy.

*Data Storage and Transfer.* Atticus makes no representation that materials on this Site are appropriate or available for use in other locations, and access to them from territories where their contents are illegal is prohibited. Those who choose to access this Site from other locations do so on their own initiative and are responsible for compliance with applicable local laws.

*Our Clients and Others Working for Atticus.* Atticus acquires and aggregates data from a variety of sources and may transfer and/or share such data it has acquired and aggregated as necessary to serve our clients. Atticus also uses trusted third parties (i.e. IT services, analytics services, etc.) to help us provide, improve, protect, and promote our Site and our service offerings. Generally, third parties will access your information under terms at least as stringent to this Privacy Statement, and we'll remain responsible for their handling of your information per our instructions.

*Other Applications and Third-Party Links.* The Site may include links to third-party websites, plug-ins and applications. Clicking on those links or enabling those connections may allow third parties to collect or share data about you. We do not control these third-party websites and are not responsible for their privacy policies. When you leave our Site, we encourage you to read the privacy policies of every website you visit. Please remember that their use of your personal information will be governed by their privacy policies and terms.
